

# CALLING ALL LIONS SINCE 1897

## GIVE IN CELEBRATION OF LANGSTON UNIVERSITY'S 120<sup>TH</sup> YEAR!

In celebration of Langston University's 120th year, we commemorate the vision that led to its establishment in 1897. We look back on our legacy with pride, and we look forward to the next 120 years with renewed hope and excitement.

Please consider making a gift to the Langston University Foundation in celebration of 120 years of excellence. Your gift will directly impact our students by supporting the areas of greatest need across all campuses. Some of the areas include student scholarships, athletics, uniforms for the LU Marching Pride Band, and capital improvements.

As the state of Oklahoma continues to cut back on university funding, we greatly depend on our Langston University family to continue its generous financial support. For your convenience, you can make a donation online at [www.langston.edu/gift-giving](http://www.langston.edu/gift-giving).

Did you know you can double your gift to the Langston University Foundation? Check with your human resources department to see if your company matches employees' charitable giving.

Do not let this commemorative year pass without remembering the mission of Langston University. Your gift will change lives and help our students attain success. Thank you from Langston University and the Division of Institutional Advancement and External Affairs. Celebrate today and give \$120 toward the next 120 years!

Most Sincerely,

Mautra Staley Jones  
Vice President, Institutional Advancement & External Affairs  
Executive Director, Langston University Foundation

**Dr. Kent J. Smith, Jr.**, President, Langston University

Langston University Foundation Board Members: **Darrell Jefflo**, Chairman / **Anthony Hill** / **Dr. Wayne Jones**
