Today as we commemorate Founders Day at Langston University, we celebrate 119 years of rich tradition and the development of young leaders. Founders Day observes the vision that led to the establishment of Langston University in 1897. We look back on our legacy with pride and we look forward to the future and the next 119 years with renewed hope and excitement.

We hope you will consider a gift to Langston University today on Founders Day. Your gift will impact our students by directly supporting the areas of greatest need throughout the campus. Some of the areas include student scholarships, athletics, LU Marching Pride Band, capital improvements, and many other endeavors. As the state of Oklahoma continues to cut back on University funding, we depend on our Langston family to continue their generous financial support.

For your convenience, you can make a donation online at www.langston.edu/gift-giving. Did you know you can double your gift to Langston University? Check with your human resources department to see if your company matches employees’ charitable giving.

Do not let this special Founders Day pass without remembering the vision of Langston University. Your gift will change lives and help our students attain success. Thank you from Langston University and the Division of Institutional Advancement and External Affairs.

Most Sincerely,

Mautra Staley Jones, Executive Director
Langston University Foundation

Celebrate today and give $119 towards the next 119 years! In honor of the 119th founders day. Give now: www.langston.edu/gift-giving
