WELCOME

We are so glad that you have joined us for the Spring 2018 Career Fair! This guide is designed to help you plan for our career fair and ensure that your participation is successful.

This spring we have brought together over 60 companies and over 100 representatives to visit with you and we are excited to show these employers what Langston University has to offer. These organizations will be recruiting for full-time and part-time positions, internships, and graduate programs. Additionally, the Thurgood Marshall College Fund (TMCF) will be on campus to provide students with information related to scholarships and professional and leadership development opportunities available through TMCF.

This event is open to all classifications (Freshmen, Sophomores, Juniors, Seniors and Graduate Students) and areas of study. All students are strongly encouraged to attend and participate.

Inside of this guide, you will find a list of all of this spring's participants and a break down of the recruitment focus of each respective employer or organization.
