## **GRANT INFORMATION**

CLASSIFICATION: UNCLASSIFIED

The U.S. Army Research Laboratory (ARL) will be hosting an Open Campus Open House at the Adelphi Laboratory Center located in Adelphi, MD on November 16 & 17, 2016, and you're invited to register now!

ARL has been a national leader in fundamental research since its founding in 1992. ARL's exploration spans the entire research spectrum from high strain rate mechanics and novel materials manufacturing, to cyber defense and advanced electronics, to atmospheric sciences and translational neuroscience. ARL's successful Open Campus business model is building an international science and technology ecosystem among government, academia, small business, industry, and entrepreneurs and expanding its reach into new geographical areas by establishing research centers such as ARL West, located in the greater Los Angeles area, in hopes of accelerating discovery and innovation.

This year's Open Campus Open House will once again provide members of the science and technology community an opportunity to:

- Learn about ARL's Open Campus business model
- Hear details of ARL's strategic research areas
- Interface with ARL's scientists and engineers to discover new opportunities for side-by-side collaboration
- Visit ARL's specialized laboratory facilities
- Participate in technical presentations and poster sessions
- Meet one-on-one with some of the Army's leading researchers

Please feel free to forward this message to any colleagues and friends that you feel might be interested in participating.

More information on ARL's Open Campus collaboration opportunities and the Open Campus Open House may be found on [www.arl.army.mil/opencampusopenhouse/](http://www.arl.army.mil/opencampusopenhouse/)

If you are interested in applying for [National Science Foundation Discovery Research PreK-12](#) (NSF DR K-12) funding, we invite you to attend one of three upcoming informational webinars:

- September 19, 2016, 4:00-5:00pm ET
- September 23, 2016, 2:00-3:00pm ET
- September 26, 2016, 1:00-2:00pm ET

**[REGISTER TO ATTEND](#)**

*Registration is on a first-come, first-served basis.*

The webinars, led by an NSF program officer, will provide information on the DR K-12 program and [solicitation \(15-592\)](#). The DR K-12 program seeks to significantly enhance the learning and teaching of science, technology, engineering and mathematics (STEM) by preK-12 students and teachers, through research and development of STEM education innovations and approaches. DR K-12 invites proposals that address immediate challenges that are facing preK-12 STEM education as well as those that anticipate radically different structures and functions of preK-12 teaching and learning. For more information, visit the [DR K-12 program page](#).

CADRE (Community for Advancing Discovery Research in Education), the resource network for DR K-12 grantees, is hosting this webinar series. The CADRE network seeks to connect researchers and developers in preK-12 STEM education, while working with them to strengthen and share methods, findings, results and products. Learn more at [cadrek12.org](#).

CADRE will be LIVE tweeting during the event. We hope you'll join us: [#NSFDRK12](#).

Please share this invitation with others in your network who might be interested in learning more about the DR K-12 program.

If you have any questions, please email [cadre@edc.org](mailto:cadre@edc.org).

Best,  
The CADRE Team

# Time to Submit Your Proposal for the 2017 Teaching Professor Conference

For educators who are passionate about the art and science of teaching, [The Teaching Professor Conference](#) is the premier event in the U.S. There is no better forum for an exhilarating exchange of ideas with your colleagues.

**[We are now accepting proposals for sessions and poster sessions!](#)**

[The Teaching Professor Conference](#) is known for attracting a roster of high-quality, engaging presenters; that's why we're asking you to be a part of next year's event. If you have previously submitted a proposal for past conferences, we sincerely ask you to submit again. And if you have never submitted a proposal for a session or poster session, we ask that you seriously consider this opportunity to share your expertise at the conference.

The 14<sup>th</sup> annual [Teaching Professor Conference](#) will be held June 2-4, 2017 at the Marriott St. Louis Grand, St. Louis, Mo.

Featured topical areas are:

Topical Area 1: Instructional Design

Topical Area 2: Active Learning Assignments and Activities

Topical Area 3: Teaching Specific Types of Students

Topical Area 4: Instructional Vitality: Ways to Keep Teaching Fresh and Invigorated

Topical Area 5: Teaching and Learning with Technology

Topical Area 6: Grading and Feedback

Topical Area 7: Faculty Development

[The Teaching Professor Conference](#) is three intensive days of plenary sessions, preconference workshops, concurrent sessions, poster presentations, and more. Here is your chance to be a part of it in 2017.

**Deadline for proposal submissions is Saturday, October 31<sup>st</sup>, 2016.**

On behalf of the HBCU-Center for Excellence we are pleased to announce that Morehouse School of Medicine has received a Notice of Award from the Substance Abuse and Mental Health Services Administration (SAMHSA) to continue as the **Historically Black Colleges and Universities-Center for Excellence (HBCU-CFE) in Behavioral Health**. We look forward to working with all Historically Black Colleges and Universities to promote student behavioral health, work force development and student retention.

The HBCU-CFE will again support a Behavioral Health Capacity Expansion Sub-Award program. The purpose of this program is to promote opportunities for HBCU institutions to foster behavioral health careers through internships; to expand knowledge of culturally appropriate, evidence-based and emerging best practices; to expand screening and referral services for students at risk for behavioral health disorders; and to support educational activities around behavioral health and prevention strategies.

HBCUs on the “White House Initiative” list are eligible to apply for the **Behavioral Health Capacity Expansion Sub-Award (Mini-Grant)**. Attached is the Request for Application (RFA) and the RFA is also posted on our website ([www.hbcucfe.net](http://www.hbcucfe.net)).

**The sub-award/mini-grant submission deadline is September 23<sup>rd</sup> 2016.**

Technical assistance webinar will be offered the focus of this webinar is to review the criteria for completing RFA. . Registration dates and times are on our website at [www.hbcucfe.net](http://www.hbcucfe.net).

**For questions please contact Dollmesha Greene (HBCU-CFE Program Manager [dgreene@msm.edu](mailto:dgreene@msm.edu) or call toll-free 1-866-988-4228.**
