## GRANT INFORMATION

## Capacity Building Webinar Series Continues

### **Why All the Excitement about Logic Models?**

**October 3**

**2:00-3:00 PM EDT**

[Register](#)

Organizations are increasingly putting logic models to work to define, plan, implement and evaluate their efforts in ways that demonstrate impact to funding partners. Learn how to use logic models to effectively convey your vision for success to potential funders. The webinar will include:

- An overview of logic models
- Applying logic models in funding applications and evaluations
- Using SMART objectives

Sample logic model designs will be provided.

### **SAVE THE DATE! Getting to Know the Federal Government and Funding Opportunities**

**October 17**

**2:00-3:00 PM EDT**

**Registration opening soon**

Join OMHRC experts to hear about best practices in responding to federal funding opportunity announcements — as identified by federal partners — and where to find the latest funding opportunities.

The U.S. Army Research Laboratory (ARL) will be hosting an Open Campus Open House at the Adelphi Laboratory Center located in Adelphi, MD on November 16 & 17, 2016, and you're invited to register now!

ARL has been a national leader in fundamental research since its founding in 1992. ARL's exploration spans the entire research spectrum from high strain rate mechanics and novel materials manufacturing, to cyber defense and advanced electronics, to atmospheric sciences and translational neuroscience. ARL's successful Open Campus business model is building an international science and technology ecosystem among government, academia, small business, industry, and entrepreneurs and expanding its reach into new geographical areas by establishing research centers such as ARL West, located in the greater Los Angeles area, in hopes of accelerating discovery and innovation.

This year's Open Campus Open House will once again provide members of the science and technology community an opportunity to:

- Learn about ARL's Open Campus business model
- Hear details of ARL's strategic research areas
- Interface with ARL's scientists and engineers to discover new opportunities for side-by-side collaboration
- Visit ARL's specialized laboratory facilities
- Participate in technical presentations and poster sessions
- Meet one-on-one with some of the Army's leading researchers

Please feel free to forward this message to any colleagues and friends that you feel might be interested in participating.

More information on ARL's Open Campus collaboration opportunities and the Open Campus Open House may be found on [www.arl.army.mil/opencampusopenhouse/](http://www.arl.army.mil/opencampusopenhouse/)

If you are interested in applying for [National Science Foundation Discovery Research PreK-12](#) (NSF DR K-12) funding, we invite you to attend one of three upcoming informational webinars:

- September 19, 2016, 4:00-5:00pm ET
- September 23, 2016, 2:00-3:00pm ET
- September 26, 2016, 1:00-2:00pm ET

**[REGISTER TO ATTEND](#)**

*Registration is on a first-come, first-served basis.*

The webinars, led by an NSF program officer, will provide information on the DR K-12 program and [solicitation \(15-592\)](#). The DR K-12 program seeks to significantly enhance the learning and teaching of science, technology, engineering and mathematics (STEM) by preK-12 students and teachers, through research and development of STEM education innovations and approaches. DR K-12 invites proposals that address immediate challenges that are facing preK-12 STEM education as well as those that anticipate radically different structures and functions of preK-12 teaching and learning. For more information, visit the [DR K-12 program page](#).

CADRE (Community for Advancing Discovery Research in Education), the resource network for DR K-12 grantees, is hosting this webinar series. The CADRE network seeks to connect researchers and developers in preK-12 STEM education, while working with them to strengthen and share methods, findings, results and products. Learn more at [cadrek12.org](#).

CADRE will be LIVE tweeting during the event. We hope you'll join us: [#NSFDRK12](#).

Please share this invitation with others in your network who might be interested in learning more about the DR K-12 program.

If you have any questions, please email [cadre@edc.org](mailto:cadre@edc.org).

Best,  
The CADRE Team

# Time to Submit Your Proposal for the 2017 Teaching Professor Conference

For educators who are passionate about the art and science of teaching, [The Teaching Professor Conference](#) is the premier event in the U.S. There is no better forum for an exhilarating exchange of ideas with your colleagues.

**[We are now accepting proposals for sessions and poster sessions!](#)**

[The Teaching Professor Conference](#) is known for attracting a roster of high-quality, engaging presenters; that's why we're asking you to be a part of next year's event. If you have previously submitted a proposal for past conferences, we sincerely ask you to submit again. And if you have never submitted a proposal for a session or poster session, we ask that you seriously consider this opportunity to share your expertise at the conference.

The 14<sup>th</sup> annual [Teaching Professor Conference](#) will be held June 2-4, 2017 at the Marriott St. Louis Grand, St. Louis, Mo.

Featured topical areas are:

Topical Area 1: Instructional Design

Topical Area 2: Active Learning Assignments and Activities

Topical Area 3: Teaching Specific Types of Students

Topical Area 4: Instructional Vitality: Ways to Keep Teaching Fresh and Invigorated

Topical Area 5: Teaching and Learning with Technology

Topical Area 6: Grading and Feedback

Topical Area 7: Faculty Development

[The Teaching Professor Conference](#) is three intensive days of plenary sessions, preconference workshops, concurrent sessions, poster presentations, and more. Here is your chance to be a part of it in 2017.

**Deadline for proposal submissions is Saturday, October 31<sup>st</sup>, 2016.**

# **REGISTER NOW for The 7th Annual Promoting Undergraduate Research Conference!**

**September 30, 2016**

**Thinking Outside the Lab: Empowering Students at all Tiers to  
Engage in Budget Neutral Research in the Social Sciences,  
Humanities, Arts, and Sciences**

Held At Presbyterian Health Foundation Conference Center 655  
Research Parkway, Oklahoma City
