

High School Completion Verification

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information we will compare your FAFSA with the information on this form and with any other required documents. If there are differences, we will make corrections. You and at least one parent must complete and sign this form, attach any required documents, and submit the form and other required documents to our office. We may ask for additional information.
