Frequently Asked Questions 2016

When is Lion Camp (New Student Orientation) and what events will be happening?
The Lion Camp Kick-Off session with President Smith will be held on Thursday, August 11, 2016 3pm (2:30pm Check-In) in the I.W. Young Auditorium. Our planning team has planned a week of informative and fun activities to help with your transition to college life, as well as get you acquainted with Langston University.

What sort of clothing/attire do you recommend students and families wear to orientation?
We would highly recommend students and families wear comfortable clothing as it will be extremely hot and mildly humid. We also advise wearing comfortable shoes, since there will be some light walking involved between various sessions throughout the day. We would also recommend bringing a light jacket or sweater as the facilities can get a bit chilly due to air conditioning.

Our Rites of Passage Ceremony will be held on Sunday, August 14 and students are expected to wear business attire to this ceremony. Acceptable attire for men includes a combination of a suit, dress slacks, white dress shirt, hard bottom shoes and a tie. Acceptable attire for women includes a combination of a pantsuit, dress slacks, skirts, dress, blouse, and heels or dress flats. Athletic shoes, hats, t-shirts, jeans and shorts are not acceptable.

Will anyone assist with moving my belongings into my room?
Langston University student volunteers will be available to help move your belongings such as boxes, suitcases, and other large items to your room once you have received your housing assignment and completed any necessary enrollment items.

What should I do if I need tuberculosis (TB) shots or physical examination?
We encourage students get the TB shot prior to arriving; however, TB testing is available at no charge at the Logan County Health Department at 215 Fairgrounds Road, #A in Guthrie (405-282-3485). A closer option for getting TB shots or physical exams is the Mary Mahoney Health Center located at 300 Martin Luther King Street in Langston, OK. Both services are offered for a fee.

To participate in Lion Camp students must have:

1. Paid their commitment fee.
2. Completed the enrollment process.

If you have any questions regarding Lion Camp, please contact the Division of Student Affairs at (405) 466-3444 or Dean of Students, Helen Alatorre at halatorre@langston.edu.
