WELCOME TO LANGSTON UNIVERSITY: FRESHMAN MOVE-IN WEEKEND

Congratulations on your choice to become a Langston Lion. Your new home on the hill awaits!
We are here to help. Please use the information below as a guide for your move-in day experience.

CAMPUS ENTRY AND TESTING PROCESS

- Masks are highly encouraged on campus for the safety of our entire community. Your safety is our priority. We ask that you avoid coming to campus if you are feeling ill, or if you have been exposed to COVID-19 within the last 10 days.

- Please arrive to campus promptly at the time of your move-in appointment. We cannot guarantee that you will be granted access to campus if you arrive outside your designated appointment time. Upon arrival, students and their guests will appointments will receive a green wristband. Students and guests without appointments will receive a yellow wristband.

- Each student may bring three (3) guests with them, for a total of four (4) individuals total at each move-in appointment.

- As you enter campus through the South Gate checkpoint, you will turn right and drive along Historic Cottage Row to Cottage 5 where the COVID-19 test will be administered. Students moving onto campus will be given a BinaxNOW Rapid Test to check for COVID-19 infection. Following the test, you will be directed to wait for results at the rear lot of the I.W Young Auditorium, which will be marked with a tent. Results from the test take approximately fifteen (15) minutes.

- Students with a negative result will be given a second wristband to enter campus safely. If a student tests positive, they will be directed to quarantine and/or be asked to reschedule their appointment.
