

## **Outstanding Senior Leader Award**

The Outstanding Senior Leader Award honors 3-5 senior students who have gone above and beyond throughout their college career in their commitment to leadership, academics, campus involvement, community service, and exemplary character. They have worked hard to uphold the traditions of Langston University while making positive contributions to the surrounding community. This is an opportunity for these seniors to receive the recognition and honor they deserve for the legacy they will leave at Langston University.

A committee comprised of Langston faculty and staff will select the winners. Selections are based on a letter of support listing the senior's achievements and involvement in the community.
