

Apply for Graduation Online

The Office of the Registrar is pleased to announce the launching of the new online Graduation Application for currently enrolled students.

By moving to an online application process, there are numerous benefits for students that include the following:

- The graduation application is submitted to the Registrar's Office in real-time.
- Students can enter their diploma address when completing the online graduation application.
- Immediately after the graduation application is submitted in Self-Service the student, advisor, or faculty member can view the submitted graduation application.
- The online graduation application does not require students to receive signatures from their advisor.

As a reminder, students should do the following before submitting their graduation application:

- Meet with their advisor to ensure they are on track to graduate.
- When meeting with your advisor they should initiate any substitution or waivers that can be initiated.
- In order to graduate you must fully satisfy all of the requirements for your program, Langston University graduation requirements and Oklahoma State Regents of Higher Education Requirements.
- If there are any courses that are outstanding on your degree audit, a Substitution Waiver Form may be needed.
- If there are any courses that are left that have not been substituted, they are considered outstanding and your degree will not be conferred.

Graduation Deadlines

Graduation Application Deadlines

- Fall 2019-September 1, 2019
