

2022-2023 SPECIAL CIRCUMSTANCE REQUEST FORM

Student ID# _____

Student Full Name _____

Financial Aid eligibility for the 2022-2023 academic year is based on 2020 family income. Under certain circumstances, it may be possible for the Financial Aid Office to base your eligibility for aid on your current or expected family income or to adjust 2020 income. Complete and return this form to the Office of Financial Aid if you feel that there are extenuating circumstances that should be considered in determining your Financial Aid eligibility. Please include as much documentation as possible. After reviewing your special circumstances documentation, your award package may remain the same, be increased, or reduced based on the financial information that has been submitted. Submitting a request for special circumstances does not guarantee an adjustment will be made to your award package.

Section A - Special Circumstances for Consideration - Please review and indicate which Special Circumstance applies to you. Documentation listed as **required (*)** must be submitted along with this form to review your request. Additional documentation that helps support your request, even if not listed as required, can be submitted as well. For requests submitted **after January 31, 2023**, also submit a copy of your **2022 W2(s)**.
