Complete Choice® Enhanced

Complete Choice® Enhanced: Rate excludes installation charges, taxes, surcharges, subscriber-line (up to \$6.94), extended area usage, service charges and Universal Service Fund fee. Offer includes access line and 8-12 calling features. For Connecticut customers, package includes access line and 10 calling features, including Privacy Manager. All other customers, Privacy Manager may be available upon request and may require additional charges. Display equipment required for Caller ID, Call Waiting ID and Privacy Manager®. Call Waiting ID requires subscription to Caller ID and Call Waiting. With Caller ID and Call Waiting ID, some call information may be blocked or otherwise not displayed, including information for some calls originating outside of the AT&T network and calls carried over facilities that do not transmit Caller ID information. With Three-Way Calling, Call Forwarding, Speed Calling 8, Call Return, Missed Call Dialing, Call Again and Selective Call Forwarding, local toll/long distance charges may apply, depending on the location of the called parties. Toll or long distance charges may apply to calls forwarded or returned to numbers outside of your service area. In certain California metropolitan areas (ZUM 3), usage charges are incurred for calls that are beyond a customer's local calling area but are not local toll or long distance. Subscription to the AT&T Metro PlanSM will eliminate these ZUM 3 usage charges. The AT&T Metro PlanSM is available at no extra charge to California customers who subscribe to Complete Choice® Enhanced. Availability, rates, terms and conditions are subject to change. All features and services may not be available in all areas or on all calls.

Complete Choice® Basic

Complete Choice® Basic: Rate excludes installation charges, taxes, surcharges, subscriber-line (up to \$6.94), extended area usage, service charges and Universal Service Fund fee. Offer includes access line, Caller ID and Call Waiting features. Display equipment required for Caller ID and some Call Waiting features. Some call information may be blocked or otherwise not displayed, including information for some calls originating outside of the AT&T network and calls carried over facilities that do not transmit Caller ID information. All features and services may not be available in all areas or on all calls. Other restrictions may apply. This package is not available for customers in Illinois. In certain California metropolitan areas (ZUM 3), usage charges are incurred for calls that are beyond a

customer's local calling area but are not local toll or long distance calls. Customers may subscribe to the AT&T Metro PlanSM to ensure unlimited local calling. The AT&T Metro PlanSM is available at an individually tariffed rate. Availability, rates, terms and conditions are subject to change.
